Dear Rene' and Peter,

I'm writing to let you know how appreciative I am of your attention to detail and inherent quality craftsmanship. It's obvious that I've selected the right roofer for the 60+ homes I've built in Landfall. **As we've experienced almost 20" of rainfall in Wilmington over the past week, I did not have one of my homeowners call me about a leak which I am very grateful for. You make me look good!**

Thank you again for the 10+ years of excellent service, I'm looking forward to the next 10 years and that only because I have quality team members like yourselves.

Sincerely,

Mark Johnson
