

TO: Flores AND Foley

I would like to thank Gaylord Racca, as well as each and every person that helped in contributing to the repairing and replacing of my roof. They were very thorough in their work. They were very kind, polite, and helpful when I needed questions answered. NO words can express what a wonderful job they had done from start to finish. Once again, I say: Thank you, Thank you, Thank you.

Happy! Happy! Happy!

p.s. I ride up AND down my street just to look at my roof. 😊 Wow!!!
